I've spoken with the folks at C & M in the carpenter shop and they are finalizing the signs right now and they will be up before noon tomorrow.

Hi Vivien,

Will do - thank you!

Could someone give me an update on the availability of No Parking signs for the lot we rented? We're concerned fishermen are going to start parking in there as early as tonight and we wouldn't be able move or tow them without signage.

Thanks,

-Rachel

Hi Rachel and Britta,

Per the discussion we had on the meeting with the Luftgekult event folks on Thursday last week, PBID is okay with moving the Trolley Stop in front of the Fruit Terminal on Sunday, May 7. Could you please inform Brouwerij West of this change?
